Activity: children to write their own set of instructions for making a picture of a rainbow.

The story should include;

- Adventurous language.
- Imperative verbs (bossy verbs).
- Capital letters and full stops.
- Each instructions needs to start on a new line.

Here is an example of a set of instructions

1. First you need to get the paint and a huge piece of paper.
2. Once you have selected the paint and paper, draw an enormous curved line to fill the page.
3. Then you must draw seven more curved lines below your large curve.
4. Next you will need to start with the first colour red and colour in the top line red.
5. Then you will need to paint the next line orange, then yellow, then green, then blue and then indigo.
6. Next you will need to colour the final line violet.
7. Finally, once your rainbow is dry you can hang it up on your wall or in your window.
