

English

'The Night Gardener' will be our first text in summer 2. We will be exploring the text and using it as a stimulus for our writing. Then we are going to read 'The Rhythm of the Rain' and we will finish this academic year with 'Nut tree', and writing our own nature poem.

Maths

This half term in Maths we will be learning about:

- Fractions
- Multiplication and division
- Measurement

Science

We are going to continue our work on growing and look at our tree that we have looked at through the year and see how it has changes, and why it has changed.

ICT – Communication

This half term we will be learning about programming, and predict and explaining what will happen with a simple programme and looking at algorithms.

History

Which Queen reigned at the best time, Queen Elizabeth I, Queen Victoria or our queen, Queen Elizabeth II?

We will be developing our skills in chronology and looking at the evidence. We will be learning about communication and transport in the past and seeing how it has changed in the last 150 years.

PSHE

We will be following the programme SCARF. This term we are looking at the theme 'growing and changing'.

RE

We are thinking about the people Jesus met, focussing on 'change', and learning about symbols of religion.

DT

Mechanisms, wheels and axes. The children are going to make their own cars! They are going to design, make and evaluate their vehicles.

Music

We will be following the 'Charanga' programme in music.

Year 1&2

Summer 2

PE

We are following the REAL PE syllabus and we will be exploring athletics. We will be ball throwing, looking at accuracy and distance.
