COVID-19 Update

Dear Parents and Carers,

As you may be aware arrangements for 'living with COVID' are amended as of today, Friday April 1st 2022.

Updated Government and Department of Education guidance advises:

- Adults with the symptoms of a respiratory infection, and who have a high temperature or feel unwell, should try to stay at home and avoid contact with other people until they feel well enough to resume normal activities and they no longer have a high temperature.
- Children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people. They can go back to school, college or childcare when they no longer have a high temperature, and they are well enough to attend.
- Children and young people aged 18 and under with a positive COVID-19 test result should try to stay at home and avoid contact with other people for 3 days, which is when they are most infectious.

Thank you for your support throughout the pandemic. Thank you for accommodating all of changes to the regulations and safety measures over the last couple of years.

Kind regards,
Mrs Nanette Allies
