

Burley Bulletin Board

We use the school library service to update our library and when they came to swap them this week, we were told that 85 books are missing. Please look at home and bring in any books that have a 'SLS' label on the spine. Thank you !

Weds 24th Jan - 3 & 4 New Age Kurling
(selected pupils)

Thurs 25th Jan - 5 & 6 Cross Country
(selected pupils)

Tues 6th & Thurs 8th Feb - Parents evening

Fri 9th Feb - Break up

Mon 12th to Fri 16th Feb - Half term

When washing your child's jumper/hoody at the weekend, please can you check that it has the correct name in it and please return to the office if your child has accidentally come home with the wrong one !

Message from our Gardener Gemma....

Welcome back to the 2024 Growing Season...which hasn't quite begun just yet! The early months of the year are spent checking tools, cleaning pots, ordering seeds and preparing the ground ready for when the soil warms to a, not so balmy, 7 degrees Celsius. Most seeds will need above this temperature to germinate, so our quest to source a poly tunnel to get things going/growing after the February half term will be paramount. This is so we can get ahead with particular crops which will be ready to harvest during the school term before they break up for the Summer. But that is a long way off yet!

In the meantime, it would be fantastic if we were able to come up with a name for our garden. Sopley School has their 'Secret Garden' but Burley is lacking a name thus far. So if there are any ideas, please could you write them on a piece of paper and hand them into the office on Monday.

It would also be wonderful if the children were able to help fill our new school garden display board, located in the library, with some work so they can really start to understand and get involved with the processes involved in producing their own food! If the children were interested in creating some non-compulsory, extracurricular pieces (words/pictures/drawings etc) about the following then that would be great!

- Why do we use crop rotation when growing food?
- What are the 4 main botanical family groups used when growing vegetables?
- Why is wildlife beneficial for our garden?
- What types of wildlife do we need to encourage and what is native to where we are located?

We look forward to seeing and displaying your work!
