Friday 8<sup>th</sup> March 2024

Dear Parents and Carers,

To celebrate world poetry day on Tuesday 19th March we will be enjoying poems and performing to others. Each class will be performing a poem they have been learning in class. We would also like to invite children to recite a poem of their choice individually (optional!) This could be any poem they are interested in. If your child would like to perform a poem please can they let their class teacher know which poem they will be performing to the rest of the school by Monday 18th March. They could get creative and write their own poetry!

This event is promoting a love for poetry, but also how poetry can come in so many different forms! It also gives children the opportunity for developing their speaking & listening skills whilst performing.

We look forward to listening to their chosen piece !

Kind regards,

Mrs Carey & Mrs Giles
