

Dear Parents and Carers,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 6th February 2026**.

Everything the NSPCC does protects children today and prevents abuse tomorrow.

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that’s always there for children and young people whatever their problem or concern.

Half a million children a year suffer abuse or neglect in the UK. That means 7 children in a classroom experience abuse before they turn 18.

NSPCC Number Day makes maths meaningful and is a great way to make numbers fun and bring about a positive, ‘can-do’ attitude towards mathematics.

- We are having a fun day of maths activities, and we will be taking part in *Dress up for Digits*. Pupils are asked to wear an item of clothing with a number on it (sports top, football, rugby, netball, hockey shirt or cap). Or get even more creative and become a human calculator, dice or domino by dressing in a maths or numbers theme. To help raise money for the NSPCC, we are asking for donations, and we’d love everyone in the school to take part in this special event.

- Throughout the day we will also be playing a range of maths games and also solve exciting maths puzzles in our classes, against the clock with Buddy, the *Speak out. Stay safe* mascot

Safe fundraising

If you are able to, and would like to make a donation, please see the link below to the NSPCC website donation page.

Thank you.

Kind regards,
Mr Butcher
Federation Maths Lead
The Federation of Burley and Sopley Primary Schools.
