

Woodpeckers Spring Term 2 2026

RE

We are exploring the concept of Resurrection through The Easter Story.

History

We will be discovering what made the Ancient Greeks complex.

PE

This half term we will be developing our gymnastic skill and learning a new sport- handball!

MATHS

We are deepening our knowledge of fractions, decimals and percentages.

Retrieval

We will be retrieving our computing, art and geography knowledge.

DT

As part of our Ancient Civilisations unit, we will be creating Greek inspired food.

ENGLISH

We will take a journey back through time to Ancient Athens so that we can write our own guides to the city followed by a diary entry.

Science

We will be learning about how different living things are classified.

What makes us complex?
